

Central Library Plan of Service 2012-2017

Central Library of Suffolk Cooperative Library System

Mission Statement:

The Patchogue-Medford Library in its role as the Central Library of the Suffolk Cooperative Library System facilitates quality library service in all Suffolk County Public Libraries and to all Suffolk County residents by providing collections and services that enhance individual libraries.

Mandated Central Library Services:

- The local expenditure for the support of the Central Library is more than 3 dollars per capita.
- The Central Library is open to the public at least 55 hours per week.
- The Central Library employs at least two full-time professional librarians.
- Library materials acquired with State aid are located in the Central Library.
- The Central Library collection of adult nonfiction is physically assembled to provide maximum use of the collection by residents of the area served by the system.
- The Central Library provides information service and bibliographical assistance to residents of the system service area.
- The materials acquired are adult nonfiction or foreign language materials.

Current Core Central Library Services

1. Maintain strong general collections, with particular emphasis on special collections such as law, genealogy, business, consumer health, music, civil service, and art.
2. Provide Central Library Telephone Reference for member libraries Monday-Friday 9:30 a.m. – 9 p.m.; Saturday 9:30 a.m.-5:30 p.m.
3. Provide Telephone Reference, Walk-In Reference, E-mail Reference and Fax Reference for all Suffolk County residents.
4. Answer member library research questions.
5. Interlibrary loan print and non-print collections, including reference collection materials.
6. Provide other materials, such as magazine articles, free of charge via fax, photocopy and scan/e-mail.
7. Offer collection development consultations and individual library training to libraries in the areas of Business, Health, Law, Local History, Reference, Science, Genealogy, and Art. Other specialized areas may be added on request.
8. Maintain the four Central Librarian developed collection indexes (Popular Song, Classical Music, Long Island Forum, and Genealogy) on the Central Library website.
9. Maintain specialized databases, in addition to the Suffolk e-Resources Collection, which are available to the public. Give workshops on these and other specialized resources available at the Central Library.
10. Assist SCLS with the continuing education of member library reference staff.
11. Visit member libraries and arrange for member library librarians to visit the Central Library in order to keep our librarians current with member library reference department needs and to keep member library reference librarians current with Central Library Reference Services.

Approved October, 2012

12. Distribute a periodic information containing news of Central Library activities and services.
13. Serve as Central Library liaison on SCLS advisory committees.
14. Provide career-counseling service free to all Suffolk County residents.

Central Library Long Range Plan 2012-2017

1. **Goal:** Explore new ways to use Central Library Aid and Central Book Aid funds to better serve all member libraries.
Intended result: Every member library will benefit directly from purchase of materials in formats that promote shared use.
Evaluation method: Usage statistics kept by SCLS for electronic products.
2. **Goal:** Support public libraries in Suffolk County through collection development and the expertise of Central Library reference staff; enabling every public library, regardless of size or financial capability to offer quality service to all patrons.
Intended result: Quality service to patrons of Suffolk County public libraries.
Evaluation method: Survey of member library satisfaction.
3. **Goal:** Work with the Member Libraries to prioritize current Central Library services.
Goal: Continue to provide valued services. Phase out services that are no longer relevant to the member libraries.
Intended result: Ensure that the Central Library is providing the services that the member libraries want and need.
Evaluation method: Survey of member library satisfaction; usage statistics of Central Library services and collections.
4. **Goal:** Revise the Central Library's collection development policy to reflect the member library determined priorities and to avoid duplication with specialty collections in member libraries and outside agencies and organizations.
Goal: Collaborate with member libraries and outside agencies to provide access to their specialty collections and assistance from their reference specialists.
Intended result: Avoid duplication, increase sharing, and provide the best services possible for member libraries.
Evaluation method: Usage statistics of Central Library collections and services and coordinated collections and services.
